Habitat for Humanity

Education For All Children

Youth Softball Clinics

Essex Bay Sailing Club

Essex Elementary School

About Me: I pride myself on being a hardworking and coachable player who is a positive and supportive teammate. I strive to be a leader and role model for younger girls in the program. I love catching because I get to be involved in every pitch and it has been great to work with and learn from different pitchers. Softball has taught me a lot about life, including perseverance, learning from failure, and working as a team. I would like to play softball in college and am looking for an experience that challenges me academically and athletically. Outside of school and softball, I enjoy spending time with my family and friends and being in nature.
