About Me

I am a hard working leader, mature, and positive individual, with a passion is to help others. When I am not playing softball, I enjoy trying new foods, going into to Boston with my friends, and hanging with my family. I am grateful that softball has provided me with opportunities and great teammates and great coaches, that I can look up to. I am looking for somewhere that can provide a space that allows me to grow and can challenge me academically and athletically.
