About Me: I am a hard working, dedicated and positive person. Softball has helped me learn qualities such as perseverance, time management and confidence. Through softball I've learned how to respect my coaches and teammates and how to collaborate with them to achieve a goal. I learn from each game/practice, whether we win or lose. I like to be challenged both academically and athletically to strive to meet my personal goals. Outside of softball, I like to travel, spend time with my family, go shopping, listen to music and hang out with my friends,
