About Me:

My strongest attributes are my leadership and hardwork. I am a very coachable player and I keep a positive attitude both on the field and in life. When I am not playing softball I am doing something outdoors, hanging out with my family and friends, and making people smile and laugh. Softball has provided me with new friends that I look up to, wonderful coaches that I've learned from, and fun experiences that I will never forget. I look forward to a college that will help me further my softball career and explore my major and passion.
