About Me: I am a three-sport varsity athlete and take pride in the different skills and lessons I've learned from each team I've been a part of. I play varsity field hockey, basketball and softball but my main passion is softball. In 7th grade, I was a proud member of Austin Prep's 2019 State Championship softball team. I am an honors student who values education and enjoys a challenge both in the classroom and on the field. My goal is to play softball in college while studying towards a career in Neuroscience. I'm blessed to be apart of a family that has provided me with an atmosphere of learning and competing that continues to serve me well as I pursue my college career.
