About Me: I play for New England Storm 18u Futures team. My primary position is outfield. I am a two sport varsity athlete for my school doing softball and track and I do dance outside of school. Things I like to do on my free time is go to the batting cages, hang out with my friends and family, and go on runs. I am willing to do whatever helps me in the future and put in 110% always in my training.
